Valentine's Day the CBYC Way

Auction to Support
The Cabrillo Beach Youth Sailing Foundation
to be held at the

CBYC Commodore's Ball

Saturday, March 15, 2025

How You Can Help

- **CONTRIBUTE SILENT AUCTION ITEMS** such as wine or restaurant gift certificates. No item is too small as we can bundle items together to make a complete gift. You will not need to “package” the gift basket; we will do that for you. All items must be NEW.
- **CONTRIBUTE LIVE AUCTION ITEMS:** Live auction items may include use of vacation homes, dinner parties, sailing experiences, etc. These items generally raise the most money.
- **ATTEND / BID AT THE EVENT**
- **MAKE A CASH DONATION**

Questions / ideas? Contact Cheryl Thomas at shiningsea2@gmail.com.

The vacant position on the Board of Directors has been filled. Greg Hildebrand will serve the remainder of the year. While Greg has been a member for just over three years, he has been an active supporter of the junior sailing program for more than 10 years. He has a Cal 20 that is usually sailed by his daughter and other junior sailors. Greg is looking forward to supporting all club activities and will be a great addition to the board.

You have probably heard that SailGP is returning to Hurricane Gulch this month. The racing will be held March 15 and 16. Team USA will be at CBYC on Wednesday, March 12. They will make a presentation and there will be time for questions. The start time is expected to be 18:00 (6:00pm) but watch for more details soon. SailGP has offered a 15% discount on seating in the grandstands to CBYC members. Purchase instructions are in this issue. Flags to allow your boat to anchor in the viewing area are also available. This is exciting racing with events around the world and there is no better place to watch than here in LA Harbor.

The Commodore's Ball is coming March 15. I hope you will join us "By the Sea" for this traditional event that is always the highlight of the club's social calendar.

We are just a month away from the start of our Wet Wednesday series. Get your boat and crew ready. The first race is April 2, followed by the next 25 Wednesdays. If you need to brush up on the rules there is still time to come to Steve Holmstrom's Rules and Racing Seminars on Wednesday nights through March. Steve is a US Sailing National Judge and Chief Judge for Area J so you can count on him having answers to your questions.

Opening Day is coming April 5. Watch for details soon.

Don't forget to contact the office if you want a 2025 Membership Card. In the past we have printed 100s of cards that were never picked up. If you expect to take advantage of reciprocal privileges at other clubs, you will need your card. All you have to do is ask and they will be printed for you to pick up or they can be mailed.

Vice Commodore

Kevin Loper

Spring is approaching, we are getting ready for Wet Wednesdays, Racing, Cruising, and a vast array of Social Events! Buckle up, as this is going to be one hell of a year... "Party on, Garth!"

Though the score of the big game was a surprise, our Super Bowl Sunday Party was fun, well attended, and successful. Thank you to Jeff and Gloria Quintero and Puri Loper for organizing the event. Our Valentine's Day Dinner was also very special. Maria Schmidt and Puri Loper with helpers Jeff Quintero and Pam Meisel, created a romantic theme for our dining room. Ty Schmidt, our Food & Beverage Chair, created a tasty menu for incredible value that Joel and his staff executed with very good results.

Upcoming events include Jerry and Janice Beaver's Commodore's Ball. Please make your reservations early as they are required. Those who sign up early get a discount. The theme this year is "By the Sea" and features a Surf & Turf menu with a special R&B dance band.

Also that night, we will hold our annual fund-raising auction with proceeds benefiting the 2025 International Laser Class Youth World Championships, hosted by CBYC from July 19 – August 4, 2025. We look forward to seeing you at the Ball, and please dress appropriately to be respectful of the traditions of this event. Opening Day, April 5th, is just around the corner and traditionally a very special day for CBYC. Details will be coming shortly, and please help out by making your reservations early.

Many of you have asked "why don't we have music every Friday night?" I believe that if you stopped to think about this, you are more than able to answer that question yourself. What I will say though, is we will have music on several Friday nights and some Saturday nights along with all the other events that have live music. We will attempt to strike a balance for all the members' enjoyment of the Club as well as to meet financial sustainability for Food & Beverage, which includes Social and Entertainment. We are working daily to provide the best possible experience for our members within a sustainable budget. This is the very reason members joined CBYC, so there are limitations of what can be provided. You are welcome to share your well thought out plan at a Board of Directors Meeting or General Meeting. "God loves a volunteer!"

As a reminder, Membership Cards are available upon request by contacting the office by phone or email, office@cbyc.org.

If you would like to help with any of our social events, you are welcome to join us at our Social Committee meetings on the last Sunday of the month at 3:00pm. You do not need to commit to organizing the event.

Respectfully and with thanks for your help and participation in making our Club great!

Rear Commodore

Mike McCormick

Hello CBYC! Racing is in full swing! The 95th Annual SCYA Midwinter Regattas were held on February 15-16 and 22. The first weekend featured the Mercury, International 14 and Melges 15 classes with 28 boats. The second weekend was all Cal 20 class with 12 boats participating. Principal Race Officer, Gary Green, the Race Committee on the signal boat and our mark set boats allowed for nice weekends for racing. A great start to our racing season.

Spring is around the corner and as the weather warms up so will our cruisers. The Shoreline Marina Cruise hosted by the Watsons and the Lopers will kick off the season. It is a super fun cruise that invites members without boats to join in the fun. The event is held at Shoreline Marina, Long Beach. Registration is easy on our website by simply clicking the event on the calendar.

In an effort to get the club looking its best I am happy to announce that the parking lot resurfacing will be scheduled in time for Opening Day on April 5th. Boat Parade signups will be available on the website soon.

Fleet Captain

Roger O'Connor

I've had a great time being your Fleet Captain already. Start saving March 30th for Club Clean-Up Day!

I'm stoked to have competed in the Melges 15 for the SCYA Midwinters CBYC hosted races for the Mercurys, I 14s, Melges 15s and the Cal 20s. The Cal 20s was the following weekend enabling many to compete twice. Three Mercurys, two I14s, one Melges 15 and a vast majority of the Cal 20 fleet represented CBYC!

January 25-26 we hosted a SoCal for PCISA that included 32 FJs. San Pedro High School finished 5th, 11th in Gold and 4th in Silver. Palos Verdes High School was 6th in Gold and 5th in Silver.

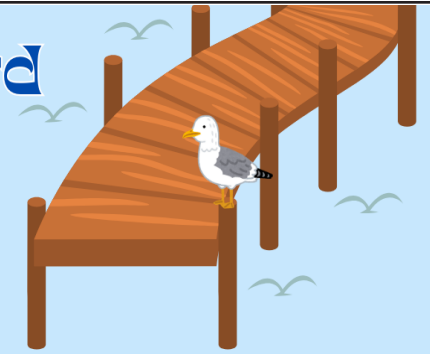

I hope everyone is looking forward to March 15th for the Commodores Ball, the 15th and 16th when Sail GP will compete in our backyard and the 16th for our St. Pat's Day party!

SCYA Midwinter top finishers:

- Cal 20s: Vilicich's took 1st, Schopp and Brian Dair took 2nd and Mike DeBrincat took 3rd. Kenny Dair and Steve George were sailing for CBYC/ABYC and were 4th.
- Mercurys: Burch's took 1st, Chris Raab and Kenny Dair took 2nd.
- I14s: Michael Leitch took 3rd.
- Melges 15: I took 3rd.

A View From The Dock And Yard

With Spring weather right around the corner, please be vigilant about slipping on wet docks and ramps. Also check that those dock lines and power cords are secure. Please report any loose or damaged cleats.

As we look forward to Opening Day, we will be having the palm trees trimmed. We will be sending email reminders about parking restrictions. Please avoid parking in the lot when the tree trimming is happening.

Also, the annual Port of LA Environmental Marina Inspection is coming soon. Please remove any hazardous chemicals from the dock (this includes under your dock steps).

March MIP Bio's

Amy Proskine

Hi! My name is Aimee Proskine, and I am very excited to be a member of CBYC.

Six years ago, my very persuasive finance, Tawni, convinced me to purchase a 32 ft. 1967 Islander. It was probably one of the best decisions we made and has become our obsession ever since.

We quickly became regulars in Catalina, taking countless trips to Avalon, Isthmus and exploring anchorages.

Almost every weekend we would have a full boat full of family and friends and set sail away from the busy city

life. Since then, we have upgraded to a 42' Beneteau, "Wolf Mother," which is our baby girl. We spend most of our time at the boat right here at Cabrillo Way Marina and enjoy sailing, fishing, and hanging with our two dogs Gilligan and Gizmo.

I work for an alcohol distributor and have an endless supply of liquor, which I put to good use by making delicious cocktails. So, if you see me around, I'd love to chat about sailing or booze.

Dave & Lorraine Varela

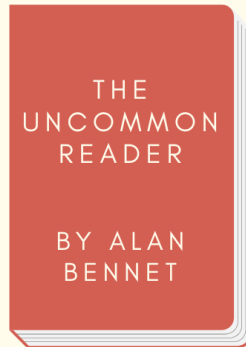

Ahoy there! We're Dave and Lo Varela! San Pedro natives born and raised. Recently retired and ready to enjoy the relaxed lifestyle that includes boating and cruising. I grew up in the waters off Cabrillo Beach, swimming, kayaking, Hobie Cat and then surfing and scuba diving. Lo was raised in a fishing family thus her love for the sun, surf

and sea. I'm retired from the beer business where I enjoyed a long rewarding career as a data scientist (analyst). Lo retired from the Escrow business where many of you will probably recognize her from.

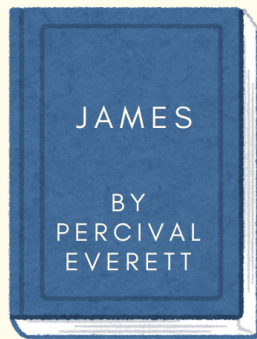

We recently bought a motorboat, a Silverton 351 Sedan Convertible. And we absolutely love it. We enjoy cruising along the coast with our kids and grandkids. We look forward to the new friends we will make here at the yacht club.

CRUISERS' CORNER

MARCH 2025

The 2025 cruise year has been set! Good to see over 70 members in attendance at the Cruiser's Kick-Off, including our wonderful CBYC Flag Officers. Thank you to all members who volunteered to host a cruise. Thank you to the amazing people who worked hard to put our event together, Sherry Brehm for arranging the food, and organizing that whole side of the room, serving alongside Gloria Richards and Dara Golden, my husband, Jim Watson and Pam Botis coordinating drinks to make sure we were properly hydrated!!!

We had a special recognition for Puri "Jackie" Loper for her exit as our Cruise Chair. Thank you, Jim and Liza Anderson, for the beautiful gift presented to Puri.

Kevin Loper was at the helm with the "Soggy Sponge Award" presentation, as well as helping MC throughout. Being new to this position, my thanks go to Kevin. We had lots of fun and laughs with the awards, as well as the recounting of stories from Rachel Moine, taking 1st, Mike Sitts and Sherry Brehm coming in 2nd and 3rd.

Shoreline Marina Cruise is this month, with Saturday evening at the Laugh Factory. See the flyer, map and Cruise Schedule in this Lighthouse issue. The Newport Beach Cruise is in April, both are great for all non-boaters, please join us, short drives. Please sign up on the website cbyc.org/cruising
