Commodore

Jerry Beaver

I hope that you all had a great holiday season with family and friends and are ready for a new year at CBYC. This will be a big year for CBYC! We will host an international event bringing young sailors from around the world here to compete in the International Laser Class Association Youth World Championships. We need your help to make this an unforgettable experience for everyone. And we are doing this while continuing to run the racing, cruising, and social programs that have made us the most active yacht club in LA Harbor. SailGP is coming again and this is a Transpac race year and we expect to be supporting both events. The racing and cruise schedules are being finalized and will be published soon.

THANK YOU to all who donated to the annual CBYC Food Drive which was for the San Pedro Senior Center and to the annual Christmas Toy Drive for Rainbow Services, and to the Employee Bonus Fund. All donations were well received and appreciated. It is important for us to show that we are proud to be part of the San Pedro community, and that we show our appreciation to the staff for their work through the year.

Last year in this space, John Raski welcomed you to our new website. This year I want to ask you to take advantage of it. We want CBYC.org to be the place you go to for the latest information on what is happening at the club. You can check the calendar for what is going on today, next week or next month, see what is on the menu, look up other club members, read the current and past Lighthouse, and pay your bill. The Lighthouse comes out once a month and the club roster once a year. The website is there for you every day. Please use it.

This year, with the other flag officers and the board of directors, I want to spend more time on longer term planning issues. Our docks are aging and while we know that replacement will be required, we hope to put that off as long as we can. We have budgeted for a part-time dock maintenance assistant and hope to fill that position early this year. We expect this will allow us to be more proactive with repairs and not just respond to problems. More on that to come.

Our Vice Commodore, Kevin Loper, will work to con-
CONTINUED ON PAGE 5...

-tinue to provide social activities for us all to enjoy. Please take advantage of them. As they say, “the more the merrier.” This applies to the officers and directors as well. I hope we can all be visible and approachable at the club from time to time.

Thank you for the opportunity to serve as Commodore of Cabrillo Beach Yacht Club. As I climb the stairs to the bar, I look at the photos of our Staff Commodores and it reminds me that I have some big shoes to fill. I will do my best to earn my place on that wall.

Vice Commodore

Kevin Loper

Happy New Year! December was loaded with a lot of great activities and events for all to enjoy. Thank you to our outgoing 2024 Commodore, John Raski, for your service to our Club. John, it has been a pleasure working with you as you have always been supportive of those working alongside you including employees, officers, committee chairs and our great volunteers. John’s first reaction is always positive and immediately follows by “How can I help?” I’d also like to give giant thanks to Maggie Raski and Faye Robertson! They have organized countless events throughout the years that we all enjoyed time and time again... Maggie and Faye, THANK YOU!!

You may have noticed that our new Commodore for 2025, Jerry Beaver, is now smiling again as he successfully navigated through the “storm year” of Vice Commodore. Well done, Sir! I’ll reserve my “thanks” for handing me the sextant until the end of the year.

Thank you, Dennis Dyer, Race Committee Chair, and his committee for continuing an excellent program. As usual, we had an awesome turnout of Cal20s for Wet Wednesdays and a more active PHRF A and PHRF B fleet which I hope will continue to grow. I look forward to the continued growth of both one-design and PHRF events to bring back the luster of our CBYC racing heritage.

Thank you, “Jackie” Loper, Cruise Chair, and her committee for the past two years of dedicated service for adding cruising events that all members can enjoy, expanding the geographical area to include San Diego and all of the Channel Islands, inclusion of new members hosting events and timely social media posts and fun wrap-ups for all to read, see and enjoy! Well done! We all look forward to our new Cruise Chair, Eliane Watson and her new committee. I know she will make a great Chair, choose a great committee, and we will support her in every way possible.

I would also like to thank Barb Ross, Food & Beverage Chair, for her thousands of volunteer hours over the past few years. Barb has helped organize various procedures between the Social Committee and Food & Beverage as well as help with the implementation of the Point of Sales system.

Ty Schmidt will step in as Chair for the Food & Beverage Committee and I look forward to working with him to improve our dining experience while controlling our expenses which, needless to say, will not be an easy task and will require changes.

We have an exciting year planned for us. All of our committees (Race, Cruising, Social, and Food & Beverage) have been hard at work and have scheduled a full calendar of events throughout the year! Most of these events have been posted on our Club Calendar except for the Cruising Events which will be unveiled at our Cruiser’s Kick-Off Sunday, January 26th.

Board of Directors Minutes - December 3, 2024

MEMBERS, LOG IN ONLINE AT CBYC.ORG TO REVIEW THE BOARD OF DIRECTORS AND GENERAL MEETING MINUTES. AFTER LOGGING IN, NAVIGATE TO THE MEMBERS TAB AND CLICK ON CLUB BUSINESS TO ACCESS. IF YOU PREFER THAT WE EMAIL A COPY OF THE MINUTES TO YOU, PLEASE SEND YOUR REQUEST TO: OFFICE@CBYC.ORG.

Rear Commodore

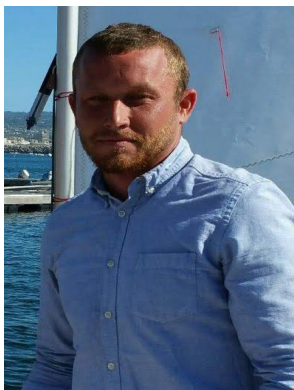

Mike McCormick

Happy New Year CBYC! I hope everyone had an enjoyable and safe holiday season. So many fun club events, great sailing and fantastic cruising. 2024 was a busy year for me as Fleet Captain and I look forward to continuing giving all that I can to support the club this year as Rear Commodore.

The kid's holiday party was a great success with incredible participation and talent. Over 20 families and countless elves and the big man himself celebrated together with beautiful crafts, food and smiles. I mean a ton of smiles! I want to thank the amazing team who put it together. With their dedicated help, the dining room was transformed into a winter wonderland. Thanks, Team Wonderland, for all your help! I'm sending a special thanks to Elf Nolan who dressed the part and assisted Santa. It was a super time.

While we partied in the club the Holiday Opti Regatta blanketed the sea with boats and young sailors. This year was an INCREDIBLE turnout with 98 entries and 53 Optis in the Championship Fleet! Four races were completed with a windward leeward course with moderate southwesterly winds. Sunday, three races were held with southerly winds in the afternoon shifting to a more typical southwesterly wind for the final race. The race committee did an amazing job of quickly setting up the course as the winds changed. A long list of volunteers made the event a great success. All were treated to a warm meal in the dry storage at day's end. Vice Commodore Jerry Beaver presented the awards to the Championship Fleet winners.

This will be a busy year for the club and I look forward to working with the ILCA team to put on a world-class event. We have a lot to do and we will need all hands on deck to get it done. Also, I'm excited to support cruising and our racing schedule. Let's have a great year on the water!

Fleet Captain

Roger O'Connor

I'm stoked to be your Fleet Captain this coming year.

I grew up sailing and competing for Cabrillo Beach Yacht Club. It is amazing to reflect on the growth and changes the club has seen in my life. From a group that got together in the summer and used to run out of the junior room of the clubhouse, to the introduction of the junior racing team and getting our first sabots, to our lasers, FJs and 420s, while moving over to the new dry storage yard. Since returning to LA a couple of years after attending SDSU, I've enjoyed helping with the club's Race Committee including being PRO for multiple events.

I look forward to going through the Flags, working and volunteering with each of you!

A View From the Dock and Yard

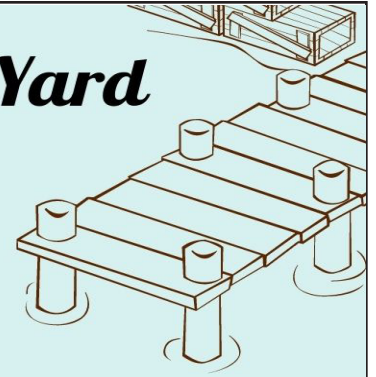

*Winter weather is here! Have you checked your dock lines?
Please replace damaged or worn-out dock lines.*

*Remember to tighten your dock lines so when the wind is up
your boat doesn't overhang the walkway.*

*Also, check that your power cord is secure and doesn't hang
in water.*

*Note: All slip tenants are required to have up-to-date insurance documents submitted
to the Marina Office.*

*Please file a Float Plan when you will be absent from your slip. Remember, when you
file a float plan, it allows the marina to offer your slip to a visiting yachtsman.*

*Have a Safe and Happy New Year,
Marina Management Committee*

Eight Bells

Gayle Carson

Gayle Carson, aged 75, passed away from lymphoma on December 9th in San Pedro.

Born in Lorain, Ohio, she graduated from Ohio State University in 1971 and from Cleveland Marshall College of Law in 1975.

Gayle came to California in 2011 and was a member of CBYC for the rest of her life. She enjoyed her membership at CBYC serving as a Director and as Judge Advocated and taking trips in her sailboat, "Atta Girl!." While not an active church member, she returned to faith in Christ again toward the end of her life.

She was the mother of two, her late son David, and she is survived by her son, Mark, daughter-in-law, Rebekah, three grandchildren and many friends at CBYC, whom she dearly loved.

Memorial services will be held at a later date.

January MIP Bios

Todd & Anne Taricco

Todd (67) and Anne Taricco (65) We have been involved in the boating/ maritime community in the San Pedro area for over 50 years and had boats in the Cabrillo marinas since 1985. Todd attended the United States Merchant Marine Academy Kings Point N, marine engineering, University California Long Beach BSME/EE, sea experience in South America and Asia. Anne and Todd cruised throughout Canada, Pacific Northwest, and California coast.

They designed and built the auxiliary sailing vessel Altair a 55-foot steel ketch berthed in Cabrillo Marina 1984- 2008 still in service in San Diego as romancing the wind. Principal designer and construction supervisor Northern Marine MV Aquila 70-foot oceangoing trawler USCG subchapter T SOLAS passenger vessel launched in 2011. Aquila is currently berthed U Dock Cabrillo Way, Marina. Licenses: USCG Master Oceans 100 ton with sailing endorsement: General class N6ZLJ. GMDSS operators and maintainer

Rick Garcia & Lupe Amiri

We are on our second boat as a couple. We are proud owners of Mischievous Mermaid, a 51' power cruiser that we've had for over 3 years. Our previous boat was a 42' trawler which we had for 14 years. We are enjoying our new "home on the water" and not needing to deal with all the varnishing and canvas covers of our old trawler. Our boat is docked at Cabrillo Marina and we've passed the CBYC clubhouse countless times over

the years, but it took a couple of rides on our dinghy to meet Craig/Charlotte Bluell and David/Lisa Smyth. They convinced us that we needed to stop driving by and join in on all the fun.

Lupe and I are both retired and reside in South Pasadena. We have three daughters, one son and four grandchildren in our blended family. I'm happy to say that all of them have great memories of times spent on the boats over the years. We look forward to creating more fabulous memories with CBYC!

January MIP Bios

Steve & Patricia Altstatt

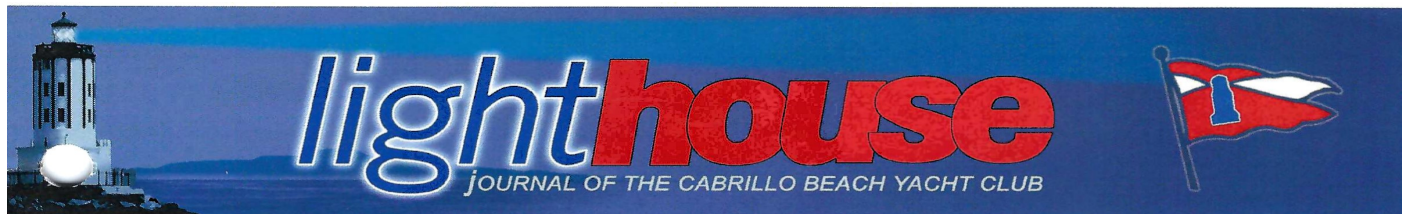

Steve is a retired engineer from the aerospace and defense industry. He worked for Logicon Inc. in San Pedro for 20 years before moving out-of-state in 2005. Steve has maintained a sailboat in Watchorn Basin since 1985, excluding a short stretch from 2008-2012 when the boat resided in Marina Del Rey. Patricia (Patti) is a retired social worker and police dispatcher who has spent most of her years in Las Vegas. She's an experienced horsewoman and lover of all animals – especially their two standard poodles, Dallas and Austin. Together with cruising in their Jeanneau 42DS “Enchantee” in local waters, Steve and Patti enjoy SCUBA diving, outdoor action sports, amateur radio, music, tending their orchard/gardens at home in Las Vegas and giving thanks to the Lord.

**Dear Members,
Thank you for your
generous contributions
to the Employee Bonus
Fund. Best wishes for a
safe, healthy and joyous
New Year!** *CBYC Staff*

The 63rd Annual L.A. Harbor Holiday Afloat Parade What a Great Success!

The 63rd Annual L.A. Harbor Holiday Afloat Parade What a Great Success!

The 2024 Harbor Holiday Afloat Parade had outstanding participation!

There were close to 40 boats participating and the festive creativity was awesome. Besides thousands of bright and colorful lights, there were inflatables AND live characters ... yes, LIVE! ... boats displayed not only animated characters but live costume-clad Santas, Helpers and more.

The Parade Committee decided to continue with last year's changes and left the Entry Fee at \$30, all of which was donated straight to our chosen Charity; Los Angeles Maritime Institute's Topsail Youth Program. Popular vote also expressed the desire to continue with the Skipper's Awards Dinner instead of a Breakfast.

The LAMI Tall Ships led the parade with the Grand Marshal DIANE MIDDLETON aboard the Irving Johnson. Norm and Trish Tuck outdid themselves, providing hospitality to those onboard and a great time was had by all. The Parade was videoed by Adam Falk of Lokyo Multi Media who did an outstanding job of capturing all the beautifully adorned boats as well as the holiday activities on the Promenade and surrounding the Tree Lighting. The scrolling video was presented during dinner which allowed the parade participants to admire their hard work as the parade spectators had done earlier.

This year the Committee chose four categories to award: Children's Choice, Grand Marshal, Theme, and Holiday Spirit. The Judges had no easy task! After much consideration, these were the winners in each category:

GRAND MARSHAL AWARD

KNARR - WHAL
Danny Rivera

THEME

1st Place **WAVE SWEEPER**
Chris Stoltz

2nd Place **FREEDOM**
Jason Fogle

3rd Place **FOUR WINNS**
Jeff Quintero

CHILDREN'S CHOICE AWARD

SEA MONKEY
Clinton Coil

HOLIDAY SPIRIT

1st Place **BRITT'S BOYZ**
Chris Schafer

2nd Place **EINSTEIN**
Michele Harford

3rd Place **HIGH ROE**
Ryan Augello

Engraved plaques were presented to the winners, who came to the podium to accept their awards and give details about their boats. A special award was given to LIBBY DiBERNARDO in recognition of 32 years of participation. A raffle, which raised over \$300, followed the awards.

LAST BUT NOT LEAST ... BIG THANKS TO

A special THANK YOU to the generous Prize Donors:

Cabrillo Beach Yacht Club The Lighthouse Café Daniel and Daina Rivera

THANK YOU to our wonderful Parade Committee for all their time and efforts:

JACKIE LOPER, LYNDA LOUDEN, HENRY RIVAS, BOB MCKOY, BRUCE HEYMAN, MARK FOGLE, and MARC MAZOROW.

THANK YOU to Steve Lampe for music before and after the parade, the Judges, Barbara Ross for her behind-the-scenes assistance, and our Office Staff for handling the promotional details.

THANK YOU to Steve Holmstrom for capturing the still photographs on the water.

A special 'shout out' to Norman Tuck for procuring many of the Sponsorships.

THANK YOU TO OUR SPONSORS

CBYC Wins Again!

The Southern California Cruiser Association (SCCA) Awards Dinner was held at Long Beach Yacht Club (LBYC) on December 11th. CBYC finished the season with the highest total points in the sport of Precision Navigation. Honorable mentions to CBYC Members Harry Meisel, Dennis Dyer and their crews for "cruising in" to assist in accumulating needed points when Skipper Randee Wood experienced propulsion problems. This is the second time CBYC has won the Club High Point Trophy.

Shown: Randee Wood and CBYC Commodore John Raski, accepting the Thol Simonson Club Trophy for Team CBYC from SCCA Director, Ken Griffing.

The number of new skippers attending the Awards Dinner indicates a challenging 2025 Season ahead. If Skippers can join Team CBYC for even one event, heading to your favorite So Cal destination or the Marina Cup on May 3, 2025, your cruise will add overall club points to preserve CBYC as the High Point Club.

Plan Ahead – Check out the 2025 Schedule!

ABOUT SCCA

The history of SCCA dates back to the 30s–40s and the Seasonal Perpetual Trophies preserve a history of the Southern California boating community. Each member club publishes a navigation route and sponsors the event.

ESP	62.5
GER	57.8
CAN	65.7
SUI	61.3

SAIL GP™

IS COMING TO **LOS ANGELES**

MAR 15/16, 2025

HOLIDAY OPTI REGATTA

Everyone –

Thank you for volunteering last week to help make the Holiday Opti Regatta (Carrie Series #3) a successful regatta.

There were 98 entries this year, with 53 Opti's in the Championship Fleet! That is the largest number of racers to date, for the Holiday Opti Regatta.

Racing on Saturday began right on schedule. The wind had shifted to a south-westerly direction about 30 minutes before the scheduled first race warning at noon.

The race committee set up the windward leeward course with leeward gate. We were able to complete 4 races on Saturday with steady, moderate winds. Races 2, 3, and 4 were twice around, windward-leeward. We got the racers back to the dry storage area well before sunset. Warm food was served in the dry storage area by volunteers. Four races completed on Saturday.

Sunday morning started out with very light winds from the south. Racing was postponed due to light, unsettled conditions. The first race warning was scheduled to be at 11:30 am but was postponed until about 1 pm. Just minutes before 1 pm, a southerly wind settled in and the race committee did a fantastic job of setting up the course very quickly. Allowing us to start the first race of the day a few minutes after 1 pm. This was a short windward-leeward once around course. The race committee kept the course legs shortened all day on Sunday, allowing us to complete 2 more windward-leeward courses. The wind shifted to more of the typical south-westerly direction for the final race of the day. Racers were back at the dry storage before sunset again on Sunday and warm food was served. Three races completed on Sunday. One protest was submitted on Sunday afternoon but was withdrawn prior to completion of a full hearing.

Vice Commodore Jerry Beaver presented the awards to the Championship Fleet winners.

I would like to recognize everyone that contributed to make this a successful regatta:

Regatta Chairs:

Nic and Amanda Hartigan
M'Liz Callender

On the Water Race Committee:

Championship Fleet – 53 entries
Cabrillo – Signal Boat
Steve McJones
M'Liz Callender
Ann O'Connor
